

RYAN PROGRAM

Grand Rounds

The Ryan Residency Training Program is a national initiative to integrate and enhance family planning training for obstetrics and gynecology residents.

We provide resources and technical expertise to departments of obstetrics and gynecology to establish a formal, opt-out rotation in family planning. Our Grand Rounds Speakers Bureau is one of the resources we provide to support departments keep up to date in important and evolving areas in family planning.

Ryan Program speakers are nationally renowned family planning experts at the forefront of research and clinical care in abortion and contraception.
